## EXPERIENCE

Sept-2018 – present

### Full-stack software Development Diploma

Completed a Full stack software development course at Code Institute, Dublin.

As part of the course, I have learned the following Languages and Frameworks: HTML, CSS, JavaScript and Python, Django and Flask.

Coded different websites and Projects as part of the Course which can be viewed in ([my GitHub](#)).

#### My works

- A Static Hair Salon Website ([https://femy16.github.io/hair\\_salon/](https://femy16.github.io/hair_salon/)).
- JavaScript Game Little Chef ([https://femy16.github.io/Little\\_Chef/](https://femy16.github.io/Little_Chef/)).
- Tourist site (<https://app-backpackers.herokuapp.com/>).
- Shopping Cart (<https://project4-m-cart.herokuapp.com/>).

Dec-2016 –Dec-2017

### Junior Software Developer

I started my career in software development in M-Squared software and services Ltd. Technopark, India.

I joined the team as an intern, worked on bits of projects in C#.

I worked on a project called Public TV Ads, using PHP and MySQL. Public Tv Ads is a platform used to advertise on TVs placed in public places in India (<http://msquared.in/publictvads/>).

#### Responsibilities:

- Creating web pages for the application using Php and JavaScript.
- Login and other entry forms and submissions.
- Inserting and retrieving data from database as per the request.
- Bug fixing and Maintenance.

#### Skills gained:

- Learned to code in PHP and C#
- Ability to work both in an individual and group environment.
- Experience in different stages of software development such as Requirement Analysis, Design, Coding, Testing and Maintenance.

Feb-2014 –Nov-2016

## Process Associate

I worked as a Process Associate (Customer adviser) in R. R Donnelley India Outsource Ltd. Technopark, India.

Responsibilities:

- Dealing with request from UK customers received through internet. Capturing customer's data.
- Sending confirmation mails to customer according to their requests.

Skills gained:

- Target oriented working
- Working as a team
- Transaction Process in SAP CRM

## EDUCATION

2009-2013

## Bachelor of Technology (ECE)

Graduated Electronics and communication Engineering from Kerala University.
